

Publications Transmittal

State of Alaska

Department of Transportation and Public Facilities
Statewide Design and Engineering Services
Design and Construction Standards

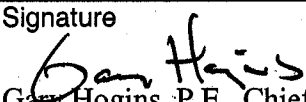

Transmittal Number 04-01	Effective Date of this Change August 1, 2004	Date Issued May 5, 2004
Distribution SEE ATTACHED DISTRIBUTION LIST		
Publication Title Alaska Flexible Pavement Design Manual		
Originating Organization State of Alaska, Department of Transportation and Public Facilities Design and Construction Standards Statewide Materials		

Enclosed is the new *Alaska Flexible Pavement Design Manual* (PDM). Additional hard copies of the PDM are available from Statewide Materials. The PDM and associated design software are also available on the internet at: <http://www.dot.state.ak.us/stwddes/dcspubs/manuals.shtml>

Use the enclosed PDM to design pavement on all highway projects that have not reached PS&E review on August 1, 2004. Projects that have reached the PS&E review stage by August 1, 2004, may follow the guidelines that were in effect on the date the PS&E review was published.
